1. Introduction:

The future of India lives in its villages. India is not Calcutta or Bombay. India lives in her seven hundred thousand villages' - **Mahatma Gandhi**.

True to the words of the Father of our Nation, the development of our country has to be assessed by the state of the villages. 365 million people live there below poverty line, mostly illiterate and in low economic status struggling to lead their daily life. Keeping villages the main focus, the World Community Service Centre strives for a better world through its Village Service Project.

A memorandum of Understanding was reached on 22.02.2019 between World Community Service Centre (WCSC) and Madras Atomic Power Station (MAPS) Kalpakkam for implementation of Village Service Project in Sooradimangalam and Sooradimangalam Villages near by Kalpakkam, Kanchipuram District.

2. About the Project

Powered by the vision of guiding light, **Vethathiri Maharishi**, a sage who in his own lifetime rendered yeoman service to bring about positive change at the personal level through his teachings, WCSC carries on his inspiring legacy to bring about world peace. Today there are around 400 trusts and about 2023 sub centres registered and affiliated to WCSC. WCSC is a non religious, non-political and non profitable spiritual organisation spread across India and other foreign countries like Japan, South Korea, Malaysia, Singapore, Sri Lanka and USA.

WCSC through VSP project adopt a village and organize a Twelve month capsuled program. Vethathiri Maharishi's **SKY Yoga** (Simplified Kundalini Yoga) taught by well trained and dedicated SKY yoga teachers (a male and a female) who stay in the village and mingle with the people. In addition to the yoga teachings, various other programmes like health camp, children skill development programs, Neturoopathy Camp, counselling sessions, women empowerment programs, de-addiction camp, Cancer awareness, Environment awareness, etc are also conducted by professionals bringing value addition to the project. This Project Inaugural function was held on **03.03.2019** in the presence of Mr. M. Srinivas, STATION DIRECTOR, MAPS and other officials of MAPS & WCSC.

3. Aim of the Project and Key Objectives:
