1. Introduction

The future of India lives in its villages. India is not Calcutta or Bombay. India lives in her seven hundred thousand villages' - **Mahatma Gandhi**.

True to the words of the Father of our Nation, the development of our country has to be assessed by the state of the villages. 365 million people live there below poverty line, mostly illiterate and in low economic status struggling to lead their daily life. Keeping villages the main focus, the World Community Service Centre strives for a better world through its Village Service Project.

A memorandum of Understanding was reached on 23.12.2019 between World Community Service Centre (WCSC) and Renault Nissan Automotive India Private Limited (RNAIPL), Oragadam for implementation of Village Service Project in Panruti Village near by Gudevanchery, Kanchipuram District.

2. About the Project

WCSC is a non-religious, non-political and non-profitable spiritual organisation spread across India and other foreign countries like Japan, South Korea, Malaysia, Singapore, Sri Lanka and USA.

WCSC through VSP project adopt a village and organize a Twelve month capsuled program. Vethathiri Maharishi's **SKY Yoga** (Simplified Kundalini Yoga) taught by well trained and dedicated SKY yoga teachers (a male and a female) who stay in the village and mingle with the people. In addition to the yoga teachings, various other programmes like health camp, children skill development programs, Neturopathy Camp, counselling sessions, women empowerment programs, de-addiction camp, Cancer awareness, Environment awareness, etc are also conducted by professionals bringing value addition to the project.
