2. Objective of the Village Service Project

Arulthanthai Vethathiri Maharishi the philosopher of the lay people, has provided the means for the poor and simple people to gain spiritual knowledge and thereby lead a happy life without suffering with physical health, vitality, mental health, friendship and to realize the divine purpose of life.

Arulthanthai Vethathiri Maharishi goal is world peace. It was Maharishi's conviction that world peace can be achieved through individual peace. It is Guru's wish that the spiritual SKY yoga exercises instructed by Vethathiri Maharishi should reach all the villagers.

Implementation of Arulthanthai Vethathiri Maharishi idea, a rural service program was started in Kaayampeta village as the 286th village by Padmashri.A/N.SKM.Maeilanandhan, President of World Community Service Centre.

SKY Yoga training and multi-Specialty camps were conducted in this village from 14-05-2023 to 16.10.2023. Through this the villagers have achieved love, peace and health.
